*Education is a powerful tool not only in transforming the society but also in building one's capabilities. Our vision is that every student has the right to get such a conducive environment so as to develop best of his/her abilities and deliver best outputs. Udaan International School will try to provide such an environment and mentoring. We at UIS ensure that every single parent who desires their children to be successful, are free from any kind of worries and tension regarding their child's career.*

*Udaan International School aims to nurture lifelong learners, who, through respect and intercultural understanding, technology, creativity, collaboration and an active engagement in community service, become citizens of the world to contribute, and make a difference, to their generation.*

*We at UIS aim to provide a world class education through innovative methods and modern techniques, and carve our students from the very beginning for prestigious competitive exams like IIT, NEET and CLAT, providing a competitive environment for young talents to develop their minds and gradually make them a sensitive and responsible citizen of the country.*

## ABOUT US

**Udaan International School** is established and administrated by **Tathagat Foundation**. It is situated at Kesarpur near Bareilly spread over 3 acres of lush green land. It is a boarding school having hostels for both boys and girls separately well furnished with all modern amenities.

The school runs from **1st class** to 8th class which will be extended to 12th next year and is going affiliated to be **CBSE board**. The campus includes **computer Labs, science Labs, library, smart classes, smart classes, athletic tracks and a big playground**.

The school has facilities for basketball, tennis, badminton, Volleyball and various other sports. The program for children provides the young exposure to sports.

What differentiates Udaan International School is its educational model, one where students set goals and develop strategies to meet their goals-the starting point for all learning. Goals make it easier to stimulate the students and inspire them into stretching their boundaries. In this school the teachers, timetable and the learning spaces will be adapted to the individual needs of the students.

We have the best infrastructure with high tech class rooms well equipped with digital smart board and projectors, science labs, playground and a medicinal garden full of lush green. Udaan international School has boarding facilities. The hostels for girls and boys have been arranged separately. The rooms are big , airy and having natural light. They are built in keeping view the needs of students. Safety and security is our top priority. We serve the fresh, healthy, delicious and hygienic food prepared with organic grains and vegetables in such a loving and caring environment so that a child can feel like home.

## **Hostel Facilities**
